# Welcome from Associated Student Government

Welcome to another exciting year at the University of Arkansas! My name is Bo Renner and I am your Student Body President for this upcoming academic year. I hope that everyone had great summers and is ready to embark on another incredible year at an incredible place in the University of Arkansas.

College is a time where memories are made, friendships are established, and experiences are had. There simply is not a better place to spend your time in college than the U of A. That is why I encourage everyone to get involved, serve the community, and always strive to be the best in whatever you're doing.

A lot is happening here on campus, and I invite each and every one of you to become a part of it. What sets the University of Arkansas apart is also what sets it above – our student's dedication in leaving our school better than it was when they first arrived. It is this ideal that continues to take this institution to new heights while defining what it truly means to be an Arkansas Razorback.

To be a Razorback means to work hard, to make a difference, and to succeed all while playing by the rules. This Student Handbook is the content that all University of Arkansas students are called to adhere to. I know above all else, Razorbacks always answer the call, exceed expectations, and exemplify leadership not only in the classroom, but outside as well.

The purpose of the Associated Student Government is to serve you. If we can ever help you in any way, please do not hesitate to contact us! Make this year your year.

Go Hogs and God Bless,  
Bo Renner, Associated Student Government President

### Off Campus Connections

#### Serving Commuter Students and Adult Learners

**Link:** <http://www.uark.edu/occ>

Off Campus Connections provides resources and referrals for current and prospective undergraduate commuters, including:

First Semester Students Living at Home  
Upperclassmen Living Off-Campus  
Adult, Returning, and Transfer Students

Commuters (also known as off campus students) are undergraduates not living in a residence hall, fraternity, or sorority house. More than 10,000 University of Arkansas undergraduate students are commuters. This student population includes traditional-aged students who live with family members, as well as non-traditional students who are age 25+, are married, or have dependents. Students attending college part-time are defined as non-traditional, as are those who are financially independent or have a non-traditional high school diploma. Off Campus Connections assists commuter and adult students in removing obstacles that may impede their success at the university.

A Commuter Lounge is provided on the 6th floor of the Arkansas Union (above the ballroom). Commuters are encouraged to utilize the lounge as a place to watch TV, study or relax between classes, or visit with other commuter students. Wireless Internet is provided and a small computer lab is located in the Career Development Center near the lounge. Wake Up Wednesdays offers free morning coffee and doughnuts and takes place during the fall and spring semesters.

Students are informed about campus life and commuter opportunities through electronic newsletters and email announcements on the commuter listserv. Student employees known as Peer Assistance Leaders (P.A.L.S.) are available to mentor commuter students. PALS assist commuters in navigating student life and the campus in general.

The Off-Campus Housing Website, <http://offcampushousing.uark.edu>, is a free searchable student housing database. Current and prospective students utilize the site to locate off-campus housing and search for potential student roommates. A message board also allows students to post items for sale and communicate with other students regarding housing.

Of Campus Connections wants commuters to become connected and stay connected with the university. The more connected a student feels, the more likely the student will persist and receive their degree.

For further information relating to off campus student needs, visit the Off Campus Connections website or send an email to [occ@uark.edu](mailto:occ@uark.edu). You may also visit the office in Arkansas Union Room 632 or contact OCC by telephone at 479-575-7351.

### Office of Student Standards & Conduct

**Link:** <http://ethics.uark.edu>

The mission of the Office of Student Standards & Conduct(OSSC) is to provide an equitable and effective educational system which promotes responsibility, individual growth, accountability and student learning through community outreach, peer mentoring, and enforcement of the Code of Student Life. The office is designed to provide an equitable process for addressing students' alleged infractions of University rules, regulations, and/or laws. This system is informal, non-adversarial and is intended to be a part of the total educative process of the University. Students are encouraged to make responsible decisions and to be accountable for their actions. Students who witness violations of the Code or who are victims of inappropriate or illegal behavior perpetrated by other students are encouraged to report to the OSSC. For more information see the Code of Student Life.

OSSC also has student leadership opportunities in the form of the PEERs (Peers Educating Ethical Razorbacks) program and the All-University Conduct Board (AUCB), and the All-University Academic Integrity Board (AUAIB). The PEERs group accepts applications year-round for students who are interested in developing and implementing educational initiatives regarding student-based issues/concerns. Group members have provided presentations to the campus community regarding topics such as academic honesty, alcohol education, and ethical decision making. Students are responsible for creating the material, making contacts, and presenting the information to the student body. The All-University Conduct Board accepts applications during the spring semesters. The All-University Conduct Board is responsible for adjudicating non-academic violations to university policy. Students members of the AUCB are provided with comprehensive training on a wide variety of policy based topics. Student members of the AUCB are also provided an opportunity to interact with faculty and staff members of the board. The All University Academic Integrity Board is responsible for the adjudication of alleged infractions to the University of Arkansas' policies on academic integrity. OSSC also provides a number of educational opportunities such as the Managing Emotions program and the SEEC (Students Experiencing Ethical Choices) course. These programs focus on providing students with the skills to make positive choices in all relationships be they academic, personal, or social.

Students who are interested in any of the above listed programs are free to contact the Director of OSSC. OSSC is located in the Arkansas Union, ARKU 634; telephone (479)575-5170.

OSSC is also responsible for the implementation of the University of Arkansas Campus Response to Alcohol and Drug Violations and Sanctioning Guidelines. Through this program Educational Funds are collected from students who are found responsible for violating the University of Arkansas' policy on alcohol and/or drugs. Funds collected through this policy will be utilized for programming and training purposes surrounding alcohol and drug education initiatives designed to educate students regarding the dangers associated with alcohol and drug use and abuse. These funds will be utilized in a manner that allows the University of Arkansas to address these violations

on a holistic level for the benefit of all students that may be affected.

### Office of Student Activities

**Link:** <http://osa.uark.edu>

The Office of Student Activities provides many different opportunities for students to get involved on campus. The Office of Student Activities is the central location for student organizations and activities for the University.

The main goal of the Office of Student Activities is to provide students with educational, cultural and social programs. All of our programs are planned and implemented by students. The Office of Student Activities is responsible for five major areas:

#### **ASSOCIATED STUDENT GOVERNMENT**

The Associated Student Government (ASG) provides important services to the University community and is an integral part of a shared campus governance system. ASG is a student led organization that enables students to have an active voice in the decisions and policy that directly affect all students at the University of Arkansas. Students involved in ASG have the opportunity to positively impact the quality of student life, allocate student fees to registered student organizations, provide a voice for student concerns as well as oversee programs and policies for all students. Through the Executive, Legislative and Judicial Branches of student government, students have the opportunity to work for and among their peers to make a difference on all levels of university. Visit the student government website <http://asg.uark.edu/> or stop by the ASG office (ARKU A669) to find out how you can make an impact.

#### **DISTINGUISHED LECTURES**

Distinguished Lectures Committee (DLC) decides which dynamic and pertinent speakers to bring to the University of Arkansas campus. These speaking engagements are completely free to all students. Some of the speakers brought over the past few years have been President George H.W. Bush, CNN anchor Anderson Cooper, basketball icon Magic Johnson, and author Malcolm Gladwell.

#### **HEADLINER CONCERTS**

Headliner Concerts Committee (HCC), which is composed primarily of students, gets to make the decision on what big-name artist to bring to campus each year. Because you have already paid a per-credit-hour fee to support this committee, when concert day arrives there is NO admission for students. Over the last three years the committee brought Grammy winning artists John Mayer, Foo Fighters and rapper T.I. , among others, to Barnhill Arena.

## REGISTERED STUDENT ORGANIZATIONS

All student organizations must register annually with the Office of Student Activities. Registration information is kept on file to assist students and administrators in learning more about particular organizations. OSA provides student organizations with assistance and services to help them succeed, including the annual event known as Razorbash, Student Involvement Fairs, information on facility reservations and fund-raising, trademark forms, mailboxes, and locker space. The center also assists student organizations in event planning, provides educational workshops for students and advisors, and conducts retreats for student organizations. A limited number of offices are also awarded annually in the Arkansas Union to organizations through the Office of Student Activities.

### Types of Registered Student Organizations (RSO):

**GOVERNING** - An organization whose primary purpose is to serve as a governing body for a large or specific constituency of students.

**GREEK** - An organization with Greek letters who is a member of the National Inter-Fraternity Council, the Pan-Hellenic Council, or the National Pan-Hellenic Council (NPHC) and is registered with the office of Greek Life.

**HONORARY/SERVICE** - An organization that requires a minimum grade point average as a prerequisite to membership and/or is affiliated with a national service or honorary organization.

**INTERNATIONAL/CULTURAL** - An organization whose primary purpose is to provide a forum in which participants create awareness for a specific culture through educational, social, and recreational activities.

Supported by an activity fee instituted in 1988 in return majority of the events are free to the student body.

### UP Video Theatre

On the fourth floor of the Arkansas Union is a Video Theatre which has a schedule of current movies all semester long. The Video Theatre is sponsored by the Student Activities fee and is free

Student Media consists of four student groups that either publish or broadcast news, information and entertainment primarily aimed at the University of Arkansas community. These groups are The Arkansas Traveler, the student print and online newspaper; the Razorback, the UA yearbook; UATV, student-produced television; and KXUA student radio. ### University Career Development Center

**Link:** <http://career.uark.edu>

According to results from a recent student survey by the National Association of Colleges and Employers (Student Survey 2010), the likelihood of a student getting a job offer increased with the frequency of career center use. Students who used the career center four or more times a semester were more likely to have job offers than those who used it once a semester. The results also indicated use of career services resulted in higher median salaries, and median salaries climbed with increased use.

Your University Career Development Center (CDC) can help you achieve the same great job search results. Get started today by taking advantage of our valuable FREE resources:

**Career Advising** – Advisors in the CDC are available to assist students who may need help selecting a college major, looking for career information, researching or exploring careers, preparing for their job search or considering a graduate school.

**Career Assessments** - The STRONG Interest Assessment, FOCUS 2 and TypeFocus are career assessments that can help students make career decisions based on their interests and values.

**Career Fairs** - In partnership with academic areas on campus, the CDC hosts a number of career fairs each year to provide opportunities for students to connect with employers and to learn more about companies and organizations. These connections could lead to valuable internships or full-time employment.

**Job Search Preparation** – The CDC offers resume critiques, interview skills training, mock interview, networking opportunities, and several professional development events throughout the academic year to prepare students for internships, co-ops or full-time jobs.

**Cooperative Education Opportunities** – Cooperative Education is a program that enables students to gain professional work experience in paid, degree-related positions. Co-op students earn credit, a competitive wage and valuable “real world” work experience.

**Internet Job Search Resources** - Through the CDC’s website, students are able to access a number of job search sites. These resources enable UA students to apply for jobs on-line and to sign-up for on-campus interviews.

**Professional Development Institute** - This nationally recognized program creates opportunities for UA students to develop professional career-building skills. Participation in this program can help students gain the valuable skills which give them the competitive advantage in their job or graduate school search.

### University Housing

#### Mission

"University Housing is committed to providing a safe, comfortable, convenient, and reasonably priced living and learning environment that promotes student success."

University Housing has responsibility for resident student welfare, residence hall and apartment staffing, educational and social programs, student advisement, residence hall and apartment maintenance and repair, housekeeping, and University Housing contract issues. Our central office is located in the former Speech and Hearing Clinic Building, known as ARKA. The office is located at 410 Arkansas Avenue, on the corner of Arkansas Avenue and Maple Street. We can be reached by telephone at 479-575-3951 or via e-mail at [housing@uark.edu](mailto:housing@uark.edu).

#### Staff

Residential living units exist to provide an opportunity for students to extend their learning experiences beyond the classroom, library, and laboratory. The University Housing staff strives to create a living environment in which each student is offered an opportunity to develop as an individual in an atmosphere that encourages emotional and intellectual growth.

The University Housing Residential Education staff consists of Resident Assistants (RA), typically undergraduate students who live and work on the residential floors; professional Coordinators for Residence Education (CREs), who live in the residence halls and are responsible for supervising RAs and the hall secretaries, advising Hall Government and managing daily residence life operations; hall secretaries who assist in the administrative operations in the hall and provide customer service; and Assistant Directors and Associate Directors (AD) who supervise CREs and oversee various Residential Education functions across campus.

In addition to the hall staff you will meet Facilities staff members: Housekeepers and Skilled Trades maintenance workers who maintain the living environment in the building. Our Information Technology employs ResNet Technicians, students who assist residents by identifying problems with computers on the campus network (including personal computers), and troubleshooting solutions when appropriate.

The Housing Central Office is currently located at 410 Arkansas Avenue (ARKA). Other offices at ARKA include: Administrative Services, responsible for room assignments, Housing and Dining Contracts, and departmental research, and the Residential Education leadership and support offices.

The Office of Business Affairs, responsible for appropriate stewardship of Housing resources including accounting, purchasing, and staff development/human resources management, and the

Residential Facilities offices are located in Pomfret Hall, including supervisory staff for Housekeepers and Maintenance, and Housing offices overseeing Facilities Operations, Safety and Security and Interior Design.

The Housing information Technology unit consisting of Computer Support specialists, Application Designers and the Coordinator for Marketing are located in Futrall Hall.

## **Counselors-In-Residence**

Counselors-In-Residence (CIR) are doctoral graduate students who are trained to listen and assist you in making life decisions. The CIR staff is available for assistance with problem solving and decision-making. This is a service provided by University Housing to all residence hall students free of charge. You can contact your RA or CRE for more information about the Counselor-In-Residence program.

## **Resident Assistants**

Resident Assistants (RAs) live in the residence halls. They are upper-class and graduate students selected on the basis of skills, interests, and abilities which enable them to assist and advise you in obtaining the most from your experience at the University of Arkansas. Resident Assistants receive in-service and on-going training designed to further develop their skills and knowledge base. Since RAs have the opportunity to work closely with you and other students over an extended period of time, they are in the unique position of being able to assist you. They work to create a positive environment in four ways: (1) by fostering a sense of community; (2) by encouraging academic success; (3) by providing you with help and assistance; and (4) by working with you and other University Housing staff to ensure the best possible operation of the residential living unit

## **Student Government**

Each hall has its own government. Like any other concentration of people within limited boundaries, the residence hall functions best when positions of leadership, organization, and representation are established. Two types of hall government exist on campus: Traditional hall senates that elect a president, vice-president, secretary/treasurer, other executive officers; and Student Interest and Activity Boards (SIABs), which are organized into student directorships. All residence halls elect or designate from two to seven (depending on the population of the hall) Residents' Interhall Congress representatives. The hall government sponsors and coordinates various activities for the community, such as community service activities, recognition dinners, intramural sports, etc.

## **Residents' Interhall Congress**

[https://exchange.uark.edu/owa/redir.aspx?C=5Jx4SPZrvUODuXdgH\\_HUI5WtSfsPXdAl5GJqrvseKtwun-yvJAYauNc2R\\_i3JRayK4EvJEQ4XvE.&URL=https%3a%2f%2fsites.google.com%2fsite%2fuarkric%2f%3fpli%3d1](https://exchange.uark.edu/owa/redir.aspx?C=5Jx4SPZrvUODuXdgH_HUI5WtSfsPXdAl5GJqrvseKtwun-yvJAYauNc2R_i3JRayK4EvJEQ4XvE.&URL=https%3a%2f%2fsites.google.com%2fsite%2fuarkric%2f%3fpli%3d1)

Residents' Interhall Congress (RIC) is the student government organization representing all on campus students. Like their slogan says, they are "The voice of the on campus student", but that does not limit them to a mere legislative body. RIC also serves as the liaison for students within the housing community. From representing student interest regarding on campus issues, to providing

programs for residents such as the RIC Cookout, Razorback Idol, and Casino Night, RIC's goal is to work for student interests. We work closely with the individual hall governments to improve residents' quality of life and to assist them in reaching their own hall-specific goals.

If you are interested in getting involved in RIC to make a difference for your hall, there are lots of opportunities for you. Serving as an RIC senator, hall executive, or hall senator really are just a few. As an on campus resident, you are already a member of RIC.

## **Campus Dining Services**

<http://www.dineoncampus.com/razorbacks/>

Residence dining halls and retail food options are operated by Chartwells Dining Services. Each all-you-care-to-eat dining center has its own managing chef, so menus will vary by location. Students are encouraged to eat in all dining halls. These locations are Brough Commons, Northwest Quad, and Pomfret. You simply present your University ID to the cashier each time you desire entrance into one of the residence dining centers. The number of meals per week or per block will vary according to the plan you have. You are not allowed to share your meal privileges with any other student or guest. You may use the flex dollars portion of your meal plan to purchase meals for others in the dining centers.

## **Meal Plans are for Resident and Commuter Students**

A variety of on-campus and off-campus meal plans are available to meet your specific needs. If you are living on campus a meal plan is a requirement. Commuter students can opt in to any of the same plans offered for residents, but have two additional, smaller plans available to them. For more information about meal plans, contact Campus Dining at (479) 575-3232.

## **Flex Dollars**

Flex Dollars are allocated per semester and help customize your meal plan to fit your unique eating habits and class schedule. These dollars can be used to purchase food and beverages in all campus dining locations. Please note, Wal-Mart, Subway and Arsagas, do NOT accept Flex dollars. Flex dollars are limited to the amount included with each meal plan and may be supplemented by adding two blocks of \$50 additional Flex or Razorbucks. To add Flex, visit Housing in Hotz Hall. To start or add Razorbucks, go online to [razorbucks.uark.edu](http://razorbucks.uark.edu).

## **Meal Trade Combos**

You have an opportunity to trade one of the meals on your plan any night of the week in designated retail locations. In the Union Food Court you can trade a meal for a combo from 5 p.m. – 11 p.m. Monday-Thursday, and 5 p.m. to 9 p.m. on Friday. Meal trades are also available at the Hill Grill in Maple Hill complex from 6 p.m. - 11 p.m. Sunday through Thursday and at Quiznos, and Papa John's locations at Brough from 5:30 p.m. - 8:30 p.m. Friday and Saturday.

#### Mission Statement

The women and men of the University of Arkansas Police Department, in partnership with the community we serve, are committed to protecting the future of Arkansas by promoting a safe and secure environment through excellence, initiative, and integrity.

University of Arkansas Police Department (UAPD) is an internationally accredited police department and has been an active law enforcement agency since 1972. The authority to operate as a law enforcement agency comes from Arkansas State Statute 25-17-304. UAPD Officers have the same authority as any municipal police department officer or county sheriff's deputy in Arkansas. UAPD Officers complete the same basic training as other police officers in the state. UAPD Patrol Officers and Communications Center staff are on duty twenty-four hours a day, seven days a week. Officers patrol the campus in cars, on bicycle, and on foot. UAPD offers a wide range of services such as twenty-four hour campus patrol, criminal investigations, crime prevention programs, women's self-defense (R.A.D.), safety bulletins, fingerprinting for employment purposes, motorist assists, the Razorback Patrol Escort Service, and daily crime logs. You can contact UAPD on campus telephones by dialing 2222, or from off campus phones, pay phones, and cell phones by dialing 575-2222. Dial 911 for any emergency, on or off campus. You can also send a text at 479-800-0405 when requesting assistance or providing information.

UAPD is located at 155 South Razorback Road in the Administrative Services Building, across from Bud Walton Arena. You can also contact UAPD by using one of the Emergency/Information Telephones located across the campus and in selected parking lots. The phones are also located in all elevators on campus and throughout parking decks. UAPD has a web site on the World Wide Web at <http://uapd.uark.edu/>. On the web site you can see a list of programs that UAPD presents to the community. You can schedule a program, see the latest campus crime statistics, and get good crime prevention information and more.

# Code of Student Life

### Preface

The mission of the University of Arkansas is teaching, research, and service. Inherent in this mission is the responsibility of the University to educate its students to be responsible, civic-minded citizens. The Code of Student Life outlines student conduct and disciplinary policies that pertain to students and student organizations at the University of Arkansas. It is designed to provide information to students, faculty, and staff regarding the ideals that underlie our academic mission, and the expectations that the University has regarding the conduct of students. The purpose of the policies outlined in the Code is to protect the rights of all members of the University Community and to maintain an atmosphere in the University community appropriate for an institution of higher education.

The Code of Student Life is established by the Faculty Senate pursuant to Board of Trustees Policy 810.1(II)(A)(7). Students seeking interpretations of provisions within the Code may contact the Vice Provost for Student Affairs/Dean of Students (VPSA/DOS).

### **Student Responsibility for Conduct On Campus and Off Campus; Jurisdiction for Disciplinary Matters**

University faculty, staff, and students value the University's relationship with the surrounding Fayetteville community and realize that the University has tremendous social, cultural, and economic impact on the greater Northwest Arkansas area. The University seeks to help students learn to become conscientious members of their community, and students are expected to conduct themselves in a responsible manner at all times, whether on or off campus.

The Code of Student Life applies to all persons enrolled in courses offered by the University of Arkansas, Fayetteville. (Note that the School of Law has its own process for reviewing alleged violations of the Code). The Code of Student Life also applies to persons who withdraw or graduate after allegedly violating the Code of Student Life or who are not enrolled for a particular term but have an apparent continuing relationship with the University. While procedures may vary, the conduct requirements of the Code of Student Life apply at all locations connected to the University of Arkansas, Fayetteville, including locations in a foreign country or in another state, and to all University activities, regardless of location. Furthermore, the University reserves the right to withhold or withdraw degrees, honors, or awards, due to violations of this Code.

If students or student organizations are cited by staff, faculty, or other students for a possible violation of local, state, and federal laws and/or University policies, they may be subject to the judicial process of the University and/or appropriate legal action. If students or student organizations are reported by community members for possible violations of the law, the University will cooperate with appropriate officials taking necessary legal action. If these students or student

organizations are reported to University officials, the University may intervene on a formal or an informal basis. "Informal" intervention will involve individual student(s) or student organization leader(s) being referred to the VPSA/DOS or designee for discussion of the incident. Off-campus behavior that may have an impact on the mission of the University, or that may have an impact on the health, safety or welfare of any individuals involved, may be subject to University disciplinary action.

The conduct requirements of the Code of Student Life, but not the procedures, also apply to persons who have been notified of their acceptance for admission and persons who are living in University of Arkansas residence halls, although not enrolled at the institution.

The pre-hearing notification communication shall outline the specific charges, and shall direct the student or student organization to schedule a pre-hearing conference within three (3) business days after the receipt of the communication. If a student or student organization fails to schedule a pre-hearing conference within three (3) business days, a reminder communication will be forwarded to the student or student organization. This communication instructs the student or student organization to schedule an appointment within five (5) days of the receipt of the communication or the case will be heard in the absence of the student or student organization.

c. If an accused student or student organization fails to respond to these communications within the allotted time, the accused student or student organization forfeits rights as outlined below, and the administrative hearing officer or AUCB may proceed with the disciplinary hearing in the student's or student organization's absence.

## 6. Pre-hearing Conference

a. During the pre-hearing conference, the VPSA/DOS or designee shall explain the rights, responsibilities, and judicial procedures to the accused student. Specifically, the accused student or student organization's rights are as follows:

1) To have a pre-hearing interview with the VPSA/DOS or designee. If the student fails to schedule or attend the pre-hearing interview, the student waives her/his right to request a hearing as outlined below.

2) To have written notice of the charge(s) and an outline of rights prior to an administrative or AUCB hearing. In the event that additional charges are brought, a further written notice must be forwarded to the student.

3) To review all available information, documents, exhibits, and a list of witnesses that may testify against him/her/them. Prior to the hearing, the VPSA/DOS or Designee will inform the student of any new material in the student's disciplinary file that is likely to be considered at the hearing.

4) To request an Administrative or AUCB hearing.

5) To elect not to appear at the hearing. The hearing is then conducted in the student's or student organization's absence.

6) To be assisted by one advisor. An advisor may be defined as; a friend, a family member, a member of the university community or an attorney. The accused student is responsible for presenting his/her own case and therefore, advisors may not speak or participate directly in any hearing before a conduct board or hearing officer. It is a student's responsibility to request and obtain the services of an advisor. University officials are neither required, nor obligated to act as advisors. The advisor, upon request of the student or student organization, may:

a) Advise the student or student organization concerning the preparation and presentation of his/her case. The advisor may not speak for the student or student organization.

b) Accompany the student or student organization to all judicial proceedings. The student or organization is limited to the presence of one advisor, who shall not speak for the student or student organization.

c) In cases involving sexual or violent offenses, the alleged victim may have a support person present during the hearing. The support person is in attendance to provide emotional support to the alleged victim. The support person may not participate in the hearing.

d) Any advisor or support person who fails to observe restrictions or otherwise interferes with the hearing process may be dismissed at the discretion of the chair or hearing officer.

7) Unless the student or student organization waives all or part of the notice, the formal hearing will not be held fewer than five (5) class days from the date of the original charge communication.

b. During the pre-hearing, the VPSA/DOS or designee shall inform the student or student organization of the following options for resolution of the disciplinary charges:

1) The student may deny responsibility and request an administrative hearing before the

VPSA/DOS or designee where determination of responsibility will be made.

2) The student may deny responsibility and request a hearing before the All University Conduct Board(AUCB) where a determination of responsibility will be made.

3) The student may accept responsibility and request for an administrative hearing before the VPSA/DOS or designee to determine an appropriate sanction.

4) The student may accept responsibility and request for the AUCB to determine an appropriate sanction.

5) The VPSA/DOS or designee may opt to refer any case for consideration by the AUCB.

c. The VPSA/DOS or designee is authorized to provide other opportunities for conflict resolution outside of the judicial process, when appropriate, if all involved parties agree. These opportunities may include mediation or other methods designed to reach a mutually satisfactory resolution. All parties must mutually agree upon the choice of conflict resolution method after review of procedures and potential terms of resolution. Such alternative means of conflict resolution are not permissible with regard to allegations of sexual misconduct as defined in this Code.

d. If a student or student organization fails, without good cause, to respond to the charge communication sent under this section, the administrative hearing officer or AUCB may proceed with the disciplinary process (including any hearings) in the student's or student organization's absence.

## 7. Hearings

Subject to the availability of judicial panel members and witnesses, the student's hearing will be held not later than twenty (20) business days following the date of the pre-hearing or the student's failure to respond to the second charge communication, or as soon as possible thereafter.

The purpose of a hearing is to determine whether a student is "responsible" or "not responsible" for violating the Code of Student Life. At this hearing, a decision will be made based on available information, with or without the attendance of the accused student or student organization, provided that efforts have been made to notify the student or organization consistent with this Code. If the student or student organization fails to attend the hearing, it will be assumed that the student or student organization denies responsibility for all allegations. When a student or student organization is found responsible and it is deemed appropriate, sanctions will be imposed. If a student or student organization fails to attend a hearing, he or she will be notified in writing of the outcome of the hearing. In situations where a student or student organization is found "not responsible" for the charged violations, but the hearing officer or AUCB concludes that the student or student organization would benefit from an educational conversation with appropriate University officials, the hearing officer or AUCB may require a student to participate in such a conversation.

## 8. All-University Conduct Board

a. When a student requests a regular hearing before the AUCB or when the VPSA/DOS or designee refers a case to AUCB for a hearing, the AUCB becomes involved. The VPSA/DOS or designee serves as the advisor to the AUCB. A panel consisting of five members will be selected from a pool of members to hear each case. The chair, who is a faculty member, casts the tiebreaking vote when necessary and, when applicable, assigns the disciplinary sanction(s) in accordance with the Code of Student Life.

1) Chair – Faculty (3-year appointment by Chair of Campus Faculty)

2) Two University Faculty / Staff Members – staff appointed annually by OSSC/faculty appointed by Chair of Campus Faculty.

3) Two University Student Members – appointed annually from among students in good standing by OSSC involving Associated Student Government (ASG) in selection process. To be considered in good standing for purposes of serving on the AUCB, students must not have any presently

applicable disciplinary sanctions or pending charges with OSSC.

4) Alternates – In instances where a University Staff/Faculty member or University Student member of the AUCB does not participate, an assigned alternate will serve as one of the five members of the AUCB.

**b. Jurisdiction and Responsibilities of AUCB**

1) The AUCB has original jurisdiction when a student or student organization requests a board hearing, or when the VPSA/DOS or designee determines that a board hearing is necessary.

**c. Procedural Standards for All University Conduct Board Cases**

1) All matters upon which the decision may be based must be introduced into evidence at the hearing before the AUCB. The decision shall be based solely upon such matters and must be supported by the evidence.

2) All evidence will be admitted except that which is irrelevant or repetitious. The AUCB chair will be the sole judge of admissibility of evidence.

3) AUCB records are maintained in the OSSC and are confidential and may be released only with the consent of the student or otherwise consistent with law and University policy. This includes records of the conduct proceedings and disposition.

4) Any member of AUCB who has a personal interest in the particular case may not participate. In such cases in which a member cannot serve due to a conflict of interest, an alternate will serve as indicated above. If more than one member of AUCB does not participate, a temporary member may be appointed by the VPSA/DOS of Student Affairs or his/her designee.

**d. Duties of the VPSA/DOS to AUCB Prior to a Hearing**

The VPSA/DOS or designee shall:

1) Consult the AUCB in setting the date, time, and place for the hearing.

2) Assist the AUCB in summoning witnesses and preparing evidence that is requested by the AUCB.

3) Notify the student or student organization by university email account or by communication of the date, time and place for the hearing. The VPSA/DOS or designee shall send the hearing notification communication as outlined above. The hearing notification communication shall specify a hearing date not less than five (5) business days after the date of the receipt of the communication. A student may request in writing that an earlier date be set, if feasible. The AUCB, for good cause, may postpone the hearing and notify all interested persons of the new hearing date, time, and place.

4) The communication described above shall:

a) Direct the student charged to appear at a specified date, time, and place and inform the student that the case will be heard in absentia if she/he has failed to report within 15 minutes of the specified time and date.

b) Advise the student of his/her rights as outlined in Section C above.

c) Contain the charges that will be offered against him/her.

d) Notify the respondent that the VPSA/DOS or designee may question the student's witnesses and request a list of the respondents' witnesses.

**9. Charge-Plus-Sanction Communications**

For minor violations of the Code of Student Life, the VPSA/DOS or designee may utilize communications which notify students of the charge as well as a prescribed sanction. Students receiving such communications will be afforded a hearing upon request. If a student does not request a hearing within a reasonable period of time described in the communication, the student will be deemed to have accepted responsibility for the charge and agreed to the sanctions as outlined in the communication.

## 10. Special Procedures for Cases Involving Alleged Sexual Misconduct.

All cases involving sexual misconduct will be resolved through an Administrative Hearing as facilitated by the Director of the Office of Student Standards and Conduct or his/her Designee(s).

For cases involving allegations of sexual misconduct, a complainant shall have the following rights:

- 1) To have a pre-hearing meeting with the VPSA-DOS or designee, if desired by the complainant.
- 2) To have written notice of the charge(s) and an outline of rights prior to the hearing.
- 3) To review available information, documents, exhibits, and a list of witnesses relating to his or her complaint that is likely to be considered at the hearing.
  - a. Note that there may be information in the respondent student's disciplinary file, for example, regarding prior offenses that would not be available to the complainant.
- 4) To propose information, documents, exhibits, and witnesses relating to her/his complaint to be considered at the hearing.
- 5) To be accompanied by one advisor or support person. An advisor or support person may be defined as: a friend, a family member, a member of the university community or an attorney. If the complainant wishes to testify, the complainant is responsible for speaking on her/his own behalf and therefore, the advisor/support person may not speak or participate directly in the hearing. It is a complainant's responsibility to request and obtain the services of an advisor/support person. University officials are neither required nor obligated to act as advisors/support persons.
- 6) Cases involving alleged sexual misconduct will receive priority in scheduling hearings.

### D. Appeal Procedures

#### 1. Appeal of Administrative or All-University Conduct Board Decision

In the event a charged student or student organization disagrees with a finding of “responsible” or sanction of an Administrative Hearing Officer or the AUCB, the charged student or student organization may request an appeal. In instances of Level 1 or similar sanctions, the student or student organization may appeal to the VPSA/DOS for Student Affairs within five (5) business days after notification of the decision. In instances of Level 2 or similar sanctions, the student or student organization may appeal to the VPSA/DOS and Chancellor within five (5) business days after notification of the decision. Appeals of all decisions shall be submitted to the Office of Student Standards & Conduct. All appeals are subject to the Additional Provisions Pertaining to All Appeals listed below.

##### a. Procedure for Level 1 Appeals:

- 1) The VPSA/DOS for Student Affairs shall receive the petition from a student or student organization choosing to appeal (1) the decision of the AUCB, or (2) the decision of the Administrative Hearing officer. Such petition shall be submitted in writing to the Office of Academic Integrity and Student Conduct explaining in detail the reasons for the student’s or student organization’s appeal.
- 2) Upon receiving a petition, the VPSA/DOS shall obtain the record of the administrative hearing officer or the AUCB. Such record shall include all relevant documents and records and if appropriate, a statement from the hearing officer or AUCB advisor that summarizes the case and the reasons supporting the disciplinary decision.
- 3) The VPSA/DOS, shall decide whether to approve, reject, or modify the decision in question, or remand the case to the AUCB for clarification or a new hearing. based on the grounds for an appeal outlined below.
- 4) The decision of the VPSA/DOS shall be made within ten (10) business days of the receipt of all information outlined above, or as soon as possible thereafter.

##### b. Procedure for Level 2 Appeals

- 1) The VPSA/DOS and Chancellor shall receive the petition from a student or student organization choosing to appeal (1) the decision of the AUCB, or (2) the decision of the Administrative Hearing officer. Such petition shall be submitted in writing to the Office of Student Standards & Conduct explaining in detail the reasons for the student’s or student organization’s appeal.
- 2) Upon receiving the petition, the VPSA/DOS and Chancellor shall obtain the record of the AUCB or administrative hearing officer. Such record shall include relevant documents and records from the AUCB. A statement from the AUCB advisor shall summarize the case and the reasons supporting the disciplinary decision.
- 3) Following review of the record, the VPSA/DOS and Chancellor shall approve, reject, or modify the hearing officer or AUCB decision, or remand the case to the hearing officer or AUCB for

clarification or a new hearing. This decision shall be based on the grounds for an appeal outlined below.

4) The decision of the VPSA/DOS and Chancellor shall be made within thirty (30) business days of the receipt of all information outlined above, or as soon as possible thereafter.

**c. Additional Provisions Pertaining to All Appeals**

1) Appellate review shall be based on the record in the case and does not include a right of additional hearings or meetings on behalf of the student.

2) To be permissible, the appeal must be submitted within the designated time frame and contain a detailed discussion of the student's evidence and reasoning based on the permissible grounds for appeal contained in this policy

3) In the event of a permissible appeal, subject to all applicable University policies, the sanctions (except interim action or interim suspension) will be put into effect only after the VPSA/DOS for Student Affairs (or, in cases involving Level 2 sanctions, the Chancellor) makes a decision, although sanctions may be retroactive to the date of the alleged offense.

4) The function of the VPSA/DOS (or Chancellor, as applicable) in reviewing an appeal is that of reviewing the action of the AUCB or administrative hearing officer to determine if: (1) an alleged violation of the rights guaranteed the accused has occurred (2) the sanction is too severe for the violation; (3) new and significant evidence that was not available at the time of the hearing has developed which has a bearing on the outcome or (4) an objective assessment of the evidence under the preponderance of evidence standard does not support a finding of responsibility.

### **E. Administrative Actions**

Certain authorized individuals have the authority to impose interim administrative actions in order to protect the safety and welfare of members of the university community. Those professional staff members authorized to impose certain interim administrative actions are the VPSA/DOS or designee and the Director of Housing or designee.

#### **1. Interim Action**

In certain circumstances certain authorized individuals may propose restrictions, change of living arrangements, change in class schedule or other action that will insure the safety and welfare of members of the University community. Any restrictions outlined in the interim action will be clearly presented to the respondent. In the event that interim action is invoked, the student or student organization will be afforded an informal preliminary hearing by the an Associate Dean of Students for Student Affairs before interim action is implemented. At this hearing the student or student organization shall be given an opportunity to explain why the Interim Action is not necessary to protect the safety or welfare of members of the University community. If the charged student fails to report for a meeting with the Associate Dean at the time specified in the interim notification communication, the interim action may be implemented immediately. Following implementation of an interim action, the interim action may be further reviewed, and continued, modified, or terminated, when the related student disciplinary matter is considered by the AUCB or hearing officer. The preliminary meeting will occur no later than 48 hours after the initial notification communication is delivered.

#### **2. Interim Suspension**

Interim suspension is an action requiring that a student immediately leave the campus and University property. It suspends the student's participation in any classes or any other University activities. Notwithstanding any other provision of this Code, Interim Suspension may be imposed upon a student or student organization by an Associate Dean of Students for Student Affairs or designee when there is reasonable cause to believe, based on available facts, that the student is an immediate threat to the safety of himself or herself, or other members of the University community or University property, or is persistently disruptive to the University community.

a. All Interim Suspensions are subject to review by the VPSA/DOS or designee. Students who request a review must do so within two (2) business days of the delivery of the Interim Suspension notification communication. Students must comply with the terms of the Interim Suspension until a requested meeting occurs. If the terms of the Interim Suspension are modified, the student must comply with the modified terms of the Interim Suspension. It is the student's responsibility to request a meeting with the VP/DOS or designee.

b. Any student who is suspended on an interim basis and returns to the campus and University

property or otherwise violates the terms of the interim suspension shall be subject to further disciplinary action and may be treated as a trespasser. Permission to be on campus for a specific purpose (e.g., to take an exam, to consult with the VPSA/DOS or designee or to participate in the disciplinary procedures against him/her) may be granted in writing by the VPSA/DOS or designee.

c. When a student is suspended on an interim basis, he/she is given notice containing the reasons for suspension, the duration and any conditions that apply, and a copy of this interim suspension policy. A student notified of such interim suspension may, within ten (10) business days of the written notice of suspension, excluding official university breaks and holidays, request through the VPSA/DOS or designee a hearing before the AUCB to determine whether the student is responsible for the charges and the appropriate sanction(s) and whether the conditions of the interim suspension should continue. This hearing before the AUCB shall be conducted as expeditiously as possible. The VPSA/DOS or designee may require a psychological evaluation prior to a hearing as outlined below.

d. The University reserves the right to invoke interim suspension for a student organization when there is reasonable cause to believe there may be an immediate threat to the safety of members of the University community or a risk to University property.

### **3. Referral for Psychological Evaluation**

If authorized individuals determine that a student should undergo a psychological evaluation prior to a hearing before a conduct board or hearing officer, the student should be administratively referred to the appropriate entity for such evaluation according to the guidelines outlined below:

a. Those professional staff members authorized to make an administrative referral for a psychological evaluation are the VPSA/DOS, Associate Dean of Students or designee, and the Director of Housing or designee.

b. When an authorized professional staff member has reasonable cause to believe that a student has severe emotional problems, and when there is reasonable cause to believe that a student's continued presence on campus would present a danger to himself/herself and/or others, the staff member may direct the student to consult with the Director of Counseling and Psychological Services (CAPS). In the event of a student's refusal, interim action from the University may be invoked.

c. Whenever possible, the student who is being administratively referred to the Center for Counseling and Psychological Services will be accompanied by an appropriate professional staff member related to Student Affairs.

d. Following an evaluation, the Director of CAPS may recommend that the student be withdrawn from the University to seek psychological/medical treatment if:

- 1) The student has violated, threatened to violate, appears likely to violate, has shown or manifested an intention to violate the law or institutional policies and appears to lack the capacity to respond to the discipline process, or does not appear to know the nature and wrongfulness of the alleged action;
- 2) The student has threatened or attempted suicide and is suffering from a serious mental disorder that is being exacerbated in the campus environment; or
- 3) A student is engaged in behavior which places him or her in serious medical jeopardy producing conditions that cannot be treated effectively without leaving the University.

e. If withdrawal is recommended, the Director will notify the VPSA/DOS. If the VPSA/DOS accepts the Director's recommendation to withdraw, the student shall be immediately withdrawn from the

University. The VPSA/DOS or designee will notify the Dean of the College in which the student is enrolled. It is understood that such withdrawal will be backdated to a time pre-dating the last date for dropping a course without a grade and that the student will automatically receive a W in all course work. The Registrar will also be directed to flag the student's file so that any readmission application will come to the attention of the Vice Provost/Dean of Students for Student Affairs, and the director of CAPS.

f. The Registrar will be directed to place a hold on the student's file so that any re-admission application will come to the attention of the Director of CAPS and the Dean of Students.

g. The Director of CAPS will send a report summarizing the results of the evaluation and any recommended action to the VPSA/DOS. Other appropriate personnel will be notified of any action taken regarding a change in the student's status by the Office of the VPSA/DOS (e.g., the University Housing staff member if the student is living in a residence hall).

h. If a student has been administratively withdrawn from the University based on recommendations from the Director of CAPS, prior to re-enrollment, the student will be required to submit a report from a licensed mental health practitioner stating that he/she is capable of participating in the University judicial process and/or that the student has received sufficient treatment to be capable of returning to the university community. The University may require further evaluation by the Director of CAPS or by another licensed practitioner. After a satisfactory report has been received by the University, the student may request through the VPSA/DOS or designee a hearing before the AUCB to determine if the student is responsible for any disciplinary charges and if so, determination of appropriate sanction(s). This hearing before the AUCB shall be conducted as expeditiously as possible, and, the disciplinary process must be completed prior to re-enrollment.

### F. Authorized Disciplinary Sanctions

When the AUCB, the VPSA/DOS or designee has determined that a student or student organization has violated the Code, sanctions are fashioned in such a manner that will redirect the individual or group's inappropriate behavior, encourage responsible judgment and ethical reasoning, protect the community's property and rights, as well as affirm the integrity of the institution's conduct standards. The AUCB chair or the VPSA/DOS or designees are authorized to impose any one or a combination of sanctions appropriate to address the misconduct.

The primary types of sanctions are listed below. While all disciplinary sanctions are a serious matter, sanctions designated as Level 2 sanctions are generally applied to more serious misconduct. Ordinarily, the sanction of suspension or expulsion will be implemented in matters where a student's/student organization's actions:

1. Threaten or harm the safety or property of the individual, members of the individual's organization, or other persons or entities (including the University);
2. Persistently disrupts the University community; and/or
3. Include multiple serious violations of the Code of Student Life.

However, other types of serious violations may warrant suspension or expulsion, as well.

In matters where the resulting sanctions for a student or student organization may be expulsion, the All-University Conduct Board will ordinarily serve as the original hearing body.

#### 1. Disciplinary Sanctions

a. University Reprimand (Level 1 sanction). In cases of minor violations, students will be placed on a warning status for one (1) calendar year. A copy of the decision is retained in a student's file for one (1) year and may be used in determining sanctions for cases brought during that year. Records are not maintained after the warning period has expired.

b. University Censure (Level 1 sanction). A University Censure is a warning similar to, but more serious than, a University Reprimand. A student may be placed on University Censure for a specified period not to exceed a student's graduation. These records are maintained seven (7) years from the date of sanction.

c. Conduct Probation (Level 2 sanction). This sanction is imposed when a student's actions are found to be serious, but not serious enough to warrant Suspension or Expulsion. The disciplinary authority shall indicate the length of the probationary period. A student who is placed on Conduct Probation is considered not to be in good standing with the University. In the event of a further violation of this Code while on Conduct Probation, the VPSA/DOS or designee will generally seek the penalty of Suspension. These records are maintained for seven (7) years from the date of

sanction. In addition, the student can be restricted from certain activities on campus (participation in registered student organizations, intramural athletics, varsity athletics, etc.).

d. Suspension. Suspension involves withdrawal of enrollment privileges for a specified period of time and ordinarily carries with it conditions, which must be met for re-enrollment. During the period of Suspension, the student may not come onto campus, except when specifically authorized in writing by the Dean of Students or designee. Failure to abide by this condition may result in arrest for trespassing and/or further disciplinary sanctions. Suspended students are not permitted to live or board in University facilities or approved student organization housing (i.e., facilities owned by the University and leased to a student organization). Re-enrollment after a Suspension requires that the student apply to the VPSA/DOS or designee at the close of the imposed period for a determination of whether they have met the conditions of conduct related sanctions. Students suspended may not receive credit for University work completed by correspondence or in residence at another university without prior permission from the Provost or designee. Records of suspension are maintained indefinitely.

e. Expulsion (Level 2 sanction). Expulsion is a permanent dismissal from the University. These records are maintained indefinitely.

## **2. Additional Sanctions**

a. Educational Sanctions (Level 1 sanction). All consequences of conduct hearings are intended to be educational. In this context, however, the term “educational sanctions” specifically describes those tasks, assignments, or experiences that a student is obligated to complete as a result of a board or hearing officer’s decision. Educational sanctions may be imposed in combination with or as a condition of any other disciplinary sanction. Educational sanctions may, for example, require the respondent to prepare letters of apology, to research an issue related to the offense, to attend a workshop, lecture or meeting, to perform community service, or to attend counseling.

b. Removal of Activity Privileges (Level 1 sanction). This option may be exercised if it is believed by the board or hearing officer that restricting or removing specified activities or privileges might be an effective educational sanction. This approach may be particularly useful when the violation is related to a University activity, such as a fight during an intramural game or an alcohol violation at a University sponsored event.

c. Registration and Account Holds (Level 1 sanction). The VPSA/DOS or designee has the authority to place a hold or to request the Registrar or appropriate University Official to impose a hold on a student’s account when a student fails to comply with assigned sanctions. Account holds may restrict students from making changes to their accounts including, for example, restrictions on registering for classes or receiving a degree. Account holds shall remain in place until the student complies with the assigned sanction(s).

d. Restitution (Level 1 sanction). Restitution is one likely response to situations that involve medical expenses or destruction, damage or loss of property incurred as a result of a violation of the Code. When restitution is required, the board obligates the student or student group to compensate a party or parties for a loss suffered as a result of the violation(s). If the respondents are unable to make monetary restitution within the required reasonable time period, the board or its designated representative may arrange alternative means such as commensurate service and/or replacement.

e. Removal from a Living Unit (Level 2 sanction). In imposing this sanction, the board or hearing officer may require a student to vacate a particular residence hall, Greek living unit, or all University housing and facilities. For example, removal may separate students from environments where

evidence suggests that adjustment has been difficult. Circumstances in the environment such as conflicts with supervising personnel, peer pressure, or an unwillingness to recognize and respect the rights of others may indicate a need for the use of this sanction. Besides affirming the rights of other residents in the living unit, this sanction may provide the offending student an opportunity to make a fresh start in a new setting.

### **G. Disciplinary Records**

1. A hearing record, notice of appeal, and each petition for review are confidential and may not be disclosed in whole or part except as provided for by law. This disciplinary record shall be separate from the student's academic record but shall be considered a part of the student's educational record maintained in the Office of the VPSA/DOS.
2. Records for cases resulting findings of "not responsible" are maintained for one year.
3. Records for cases resulting in University Reprimands will be destroyed one calendar year from the date of the decision, barring additional violations.
4. A student who is suspended, indefinitely suspended, or expelled will have a hold placed on his/her registration file by the VPSA/DOS or designee. This hold will be removed when the term of suspension expires and/or conditions for reenrollment have been met. Suspensions, Indefinite Suspensions and Expulsions are maintained indefinitely.
5. Suspension or expulsion will be noted on the transcript as a withdrawal with a mark of "W" assigned.
6. Records for cases not resulting in interim suspension, indefinite suspension, or expulsion will be destroyed seven years after the date of the incident or as permitted by federal or state law.
7. Discipline records for individuals are confidential and are not made available to unauthorized persons except upon consent of the student or as otherwise provided by law, including the Family Education Rights and Privacy Act (FERPA).
8. Recordings of applicable hearings will be made available to charged students for review in the OSSC office suite in the presence of an OSSC staff member.

### **H. Selection Process of the All-University Conduct Board (AUCB)**

1. The pool of possible AUCB Board members will consist of up to eight undergraduate student members and eight graduate student members, twelve faculty members and eight staff members (must possess a master's degree or terminal degree).
2. The Chairperson will be chosen from among the nine faculty members.
3. All faculty members will be eligible to act as chair of an AUCB hearing panel.
4. When an individual hearing panel is convened by the VPSA/DOS or designee from the pool of available board members, a quorum is fulfilled when five members are present and chaired by a faculty member. There will be no fewer than two faculty/staff members on any hearing panel. There will be no fewer than two student members on any hearing panel unless the student member requirement is waived by the student or a seated student does not participate and the alternate panel member is a representative from the staff/faculty pool.
5. Undergraduate members may only serve on hearing panels concerning undergraduate students. Graduate students may serve on both graduate and undergraduate hearing panels.
6. AUCB Members shall be selected as follows:
  - a. The faculty members making up the possible pool of AUCB chair members shall be appointed by the Chair of the Campus Faculty. OSSC may submit the names of interested faculty members to the Chair of the Committee on Committees for consideration for appointment. In making appointments, the Chair shall give consideration to the appointment of both nine-month and twelve-month faculty. Three faculty members shall be appointed annually to serve three years. Faculty members are eligible to reapply for additional terms as indicated above. The staff members will be selected by the Director of OSSC through an application and interview process. Staff members will be confirmed by the chair of the Staff Senate.
  - b. The thirty-six students named to AUCB should represent the diverse population of the University community. The following procedures for selection shall be followed:
    - 1) Applications for all AUCB membership will be submitted to the OSSC. Graduate applications will be forwarded to the Dean of the Graduate School, or her/his designee, who will review the applications, conduct interviews and choose graduate members. The Graduate Dean's Advisory Board may also appoint students for membership.

2) The VPSA/DOS or his/her designee will conduct interviews for undergraduate student members of the AUCB. The Graduate Dean or his/her designee will conduct interviews for the graduate student members of the AUCB. Ordinarily, one representative of the ASG (appointed by the ASG President) should be part of the interviewing team.

3) The Director of the OSSC will make a recommendation to the VPSA/DOS for Student Affairs.

4) Undergraduate members will be chosen who meet the following minimum qualifications: (a) a cumulative GPA of not less than 2.5 that will be maintained throughout the duration of a student's participation; (b) good disciplinary standing with the University; and (c) a minimum of 12 hours of course work completed at the University.

5) Graduate student members will be chosen who meet at least the following minimum qualifications: (a) a cumulative GPA of not less than 3.00 that will be maintained throughout the duration of a student's participation; (b) in good standing with the University; and (c) current enrollment in a graduate degree program.

6) Student members shall serve one-year terms, and are eligible to serve additional terms with re-application, appointment and approval as indicated above.

c. When a case involves a graduate student, the hearing panel will consist only of graduate student members.

d. Vacancies occurring during the course of the year will be filled as follows: 1) undergraduate students, by the VPSA/DOS or designee; 2) graduate students, by the Graduate Dean or designee; 3) staff, by Chair of the Staff Senate; 4) faculty, by the Chair of the Campus Faculty.

### **A. Introduction**

The Committee on Student Relations is a Campus Faculty committee responsible for developing and interpreting policies outlined in the Student Handbook. Responsibility for implementing the policies of this section has been delegated to the Office of the Vice Chancellor for Student Affairs. The Vice Chancellor, in turn, has delegated much of this responsibility to the Office of Student Activities under the guidance of the Associate Vice Chancellor for Student Affairs & Dean of Students. The Office of Student Activities coordinates the registration of student organizations, provides training for advisors and student leaders, and assists with the student fee funding and scheduling of student-sponsored events.

### **B. Definition of Student Organizations**

For current information access the Office of Student Activities website at <http://osa.uark.edu>.

1. Subject to all other University policies, Student Organizations or student committees are (1) composed entirely of University students; (2) entirely responsible for the conduct of various sponsored activities, as well as the daily affairs of the group. Student organizations may not extend membership to non-students. The involvement of faculty and staff is defined in the role of an advisor, rather than a voting member. Additionally, registered student organizations must have and maintain a minimum of six (6) active members to secure approved Registered Student Organization (RSO) status from the University. The active membership must include at least two officers, a President and Treasurer, and all officers must meet the requirements for co-curricular participation as outlined in Section D below.
2. Residence hall, fraternity, sorority and governing bodies are considered student organizations and are expected to complete the registration process before facilities other than their own specific living unit can be used. Additional regulations for the establishment and operation of fraternity and sorority groups (outlined in the respective governing board's constitution) are available in the Office of Greek Life.
3. Many groups such as faculty-initiated academic interest groups, faculty/student governing committees, musical organizations, University athletic teams, and theatrical activities are not student, but University organizations. As such, they are directed or chaired by a regular University staff member, and responsible to campus academic or administrative authorities. Membership in University organizations is subject to various internal requirements and regulations. The University staff member, by virtue of his or her expertise, is responsible for directing the organization. Students often participate in the organization's decision-making process. Registration of such groups through the Office of Student Activities is not required; however, they are subject to general University procedures; for example, non-discrimination, fund-raising, outdoor event, and trademark policies.

## **C. Conditions of Membership and Leadership**

In selecting its membership and leadership, no student organization may discriminate on the basis of age, disability, ethnic origin, marital status, race, religious commitment, sexual orientation, or gender (except for single-sex social sororities and fraternities and residence halls exempted from Title IX). Registered student organizations may, however, limit their membership and leadership to students who, upon individual inquiry, affirm that they support the organization's religious, political, or other legally protected views, consistent with the First Amendment. All officers of a student organization must meet the requirements for co-curricular participation as outlined in Section D below. Officers and advisors of student organizations are held responsible for seeing that this condition is met.

### D. Eligibility For Co-Curricular Participation

The major concern of the University of Arkansas for its students is their academic achievement. One mark of academic achievement is orderly progress toward a degree. Students should complete a minimum of twelve (12) hours of course work each semester. Each student is therefore advised to balance a desire to progress in a systematic fashion toward a degree and the desire and ability to participate and/or lead in co-curricular activities. After a student has assessed the abilities and interests he/she may have, the student may then choose to participate in activities or organizations (taking into consideration the qualifications required by the various activities and organizations). To assume leadership, elective and/or appointive positions, the student must meet the University requirements listed below:

1. Co-Curricular Requirements: The minimum requirements that the University sets for students to assume elective and appointive positions in co-curricular activities include full-time enrollment and continuance (a minimum of twelve (12) hours of on-campus course work for undergraduate and law students and six (6) hours for graduate students), a 2.25 or better cumulative grade-point average, and the absence of academic or disciplinary probation. Additional requirements: Organizations or groups may make, with the consultation of the Office of Student Activities, such additional eligibility requirements as they deem necessary. These additional requirements cannot be in conflict with University policies on nondiscrimination.
2. Types of Participation Subject to the Requirements: The above stated requirements must be met in order to:
  - a. apply or receive consideration for an appointive or elective office
  - b. campaign for an elective office
  - c. hold an elective or appointive office
  - d. receive special honors
  - e. receive an appointment to serve on an all-campus (student or faculty-student) committee or governing-organization (RIC, IFC, Panhellenic, NPHC, etc.) or on the staff of any University or student publication
3. Individuals should be aware of their eligibility status at all times. They shall inform the concerned organizations of their status when seeking or desiring to continue in positions of leadership as described above.
4. The Office of Student Activities is responsible for ensuring that the students participating in said organizations are in compliance with these requirements each semester.
5. Appeal to waive requirements: Any student who does not meet the aforementioned requirements and is still interested in an appointive or elected position can request a review by the Director of the Office of Student Activities or designated representative. Any student wishing to appeal a decision regarding eligibility must do so by filing an appeal in writing to the Director of the Office of Student Activities. Co-curricular Eligibility Appeal forms are available in the Office of Student Activities.
6. Athletic Requirements: NCAA and athletic conference rules will govern participation in

intercollegiate athletics for men and women.

If there is any question whether an organization has satisfied the requirements for RSO status, the group's registration will not be completed until all necessary reviews are completed, including any appeal.

## **9. Renewal of Registration**

To keep the organization's RSO status current, registration must be renewed each academic year through the process prescribed by the Office of Student Activities. This renewal consists of providing updated registration information including: names of current officers, members, a faculty or staff advisor, contact information and a current constitution. Should this renewal of registration not occur, all privileges extended to the organization by the Office of Student Activities and the University of Arkansas will be withdrawn. Renewal of registered student organization status is not automatic, and renewal is not complete until all necessary information and materials have been submitted by the organization and processed consistent with University policy.

## **10. Student Organization Status**

There are three classifications of registration status for student organizations:

- c. Registered: An organization becomes registered when all materials are received and processed by the Office of Student Activities, and the organization meets all registration requirements as outlined in the following sections.

- d. Organizations that have not fulfilled all requirements for registered RSO status may appeal to the Director of the Office of Student Activities or designated representative. The appeal process is outlined below.

## **12. Restrictions and Withdrawals**

Organizations that fail to meet the requirements for registered status or violate RSO registration policies at any time may have their status withdrawn or restricted by the RSO Program Coordinator in the Office of Student Activities. Such organizations may appeal to the Director of the Office of Student Activities.

## **13. Appeal Process for Denial, Withdrawal, or Restriction of Registered Organization Status**

Decisions to restrict, deny or withdraw registration may be appealed by submitting a written appeal to the Director of the Office of Student Activities. Appeals will be considered upon limited grounds 1) that the standards and process outlined in the Office of Student Activities RSO registration policy were not adhered to in the decision to restrict, deny or withdraw status, or 2) that new and significant information has become available that affects the decision to restrict, deny or withdraw status 3) that the decision to deny, withdraw or restrict the organization was excessively severe or biased. Appeals must be submitted within 10 days of written notice of the original decision. The university e-mail system will be considered sufficient for written notice. The Director of the Office of Student Activities or designee will decide if the appeal has sufficient merit to warrant a hearing. If the appeal has grounds, the Director or designee will hear the appeal as soon as possible. If the Director of the Office of Student Activities or designee decides not to hear the appeal, the decision to restrict, deny or withdraw status will remain in effect as outlined by the RSO Associate Director or designated representative. Appeals regarding disciplinary sanctions administered by the Office

for Academic Integrity and Student Conduct, whether for an individual or the organization, must adhere to the appeal policy outlined by that office, and may not be overruled through this appeal process.

Student groups and organizations planning and carrying out their activities and conducting their affairs bear the responsibility for doing so in accordance with University regulations as well as state and local law. Student Organizations will be held responsible for the behavior of their members or guests when the actions of these individuals evolve from or are associated with the organization or an activity related to the organization. The extent to which an organization will be held responsible for the actions of individual members or guests will be determined in accordance with the following guidelines.

1. Definition of an Activity Related to an Organization: An activity is considered to be related to an organization when one of the following circumstances exists:
  - a. The activity being sponsored was planned in an official meeting of the organization.
  - b. The activity is a registered event with the Office of Greek Life.
  - c. The context of the activity indicated that it was the product of the organization, per se. This includes, but is not limited to: the activity was held on chapter property, the presence of one or more of the group's officers, the presence of eight or more of the group's members, promoting or financing the event, or the presence of organized entertainment.
2. The parent organization shall be responsible for the actions of pledge classes or other subgroups carrying official status.
3. Events or activities that include numbers of nonmembers are also the responsibility of the group or organization in question. Appropriate measures must be employed to prevent or deal with infractions and problems involving nonmembers (see section 4.b, and section J below).
4. Dealing with Infractions: Each group or organization has the responsibility and is expected to deal with individuals allegedly in violation of University regulations or laws by referring such individuals to UAPD, the Office of Academic Integrity and Student Conduct, The Office of Student Activities, and/or The Office of Greek Life. Circumstances that do not constitute violation of University policy or law, but that may be violations of organizational regulations may be dealt with internally, by the organization.
  - a. Each group or organization is expected to refer such individual(s) to the appropriate University authorities. UAPD should be contacted immediately for any issue involving public safety, removal, or arrest (e.g., hazing, fighting, public intoxication, trespass, etc.). The Office of Greek Life or the Office of Student Activities should be contacted for any constitutional violations. Referral should be made to the Office of Academic Integrity and Student Conduct for violations of the Code of Student Life and/or university judicial action.
  - b. The group or organization must show good faith in referring individual(s) who may be responsible for violating University policy or any applicable laws of the state, county, or

city. The degree to which the group or organization carries out this overall responsibility will have bearing on the extent to which it may be held accountable for the actions of the individual(s). Members and non-members of a group at an activity related to an organization are included in the expectation of the group's responsibility and appropriate measures must be employed to prevent or deal with problems and/or violations.

- c. When (1) sufficient preventive measures (see section I below) have not been employed and/or, (2) action to refer individual cases to appropriate authorities has not been taken, the student organization may be held accountable for violations.

### **I. Student Organization Responsibilities for Alcohol and Other Drugs**

The University of Arkansas Alcohol and other Drug Policies are consistent with the educational and non-punitive philosophy that governs the Code of Student Life. The Code emphasizes personal responsibility and is intended to facilitate individual student growth and development.

To help reduce the incidence and prevalence of alcohol use that may adversely affect the quality of an individual's experiences at the University of Arkansas, abstinence is expected. No alcohol may be brought to any event on campus or in organized student housing. All open containers must be emptied and/or disposed of prior to entering a public area on campus or in organized student housing. Kegs and other containers used for distributing alcoholic beverages are not permitted anywhere on campus or in organized student housing. Alcohol may not be distributed on campus or in organized student housing. Persons of legal age as prescribed by state law regarding alcoholic beverages may possess and consume the beverages in the privacy of their own rooms. Students of legal age who choose to drink, either on or off campus, are expected to handle alcohol in a low risk manner and behave responsibly.

The following procedures have been established to emphasize the shared responsibility of the host organization and individuals attending social events or activities related to an organization. These procedures are intended to reduce risks associated with social events and to assure compliance with University policies as well as state and local laws concerning the use of alcohol and other drugs.

#### **1. Registration**

Any social event that is sponsored by a living group (Residence halls and Greek houses) must be registered through University Housing or the Office of Greek Life, respectively. Social events sponsored by the ASG fee will be registered with the Office of Student Activities. Registration of student organization social events sponsored by other departments is at the discretion of that department.

All social events that require registration must be registered at least one (1) week prior to the date of the event. Student organizations will have a designated faculty advisor or authorized sponsor present at the event. In addition, a representative from the registering office will meet with the organization leader(s) to plan procedures in accordance with these guidelines for the event. Student organizations are required to comply with University policies, and state and local laws to the best of the ability of the hosting group(s).

#### **2. Policies for Events in Greek Houses**

a. Guest List

All social events, other than events for members and dates, will be restricted to individuals on the guest list. A guest list must be present at the entrance at all times and the names of those entering the event must be confirmed and marked on the list.

b. Maximum Occupancy

The maximum number of individuals permitted to be in attendance at a particular event at any one time must be determined prior to the registering the event and in conjunction with the University personnel registering the event. The host group(s) will be responsible for keeping an accurate count of the number of individuals in attendance at any one time.

c. Entrances and Exits

The number of permissible entrances for a registered social event will be determined at the time the event is registered and by the office registering the event. Likewise, the number of exits (along with the appropriate requirements for staffing them) will be determined by the registering office at the time the event is registered and will be based on appropriate fire codes and safety requirements.

d. Outdoor Activity

Outdoor activities are permitted; however, the hosting group or groups are reminded that alcoholic beverages are not permitted in any public area of the living units or on the University campus.

e. Marshals

Marshals should be identified individuals (e.g., via t-shirts or arm-bands) who are responsible for the proper management of the social event. Marshals may NOT be new members. They are expected to be on duty for the duration of a social event. Marshals will refrain from consumption of alcohol and work with the faculty adviser or sponsor and University of Arkansas Police Department (UAPD) officers, when appropriate. Some of the marshal's responsibilities include, but are not limited to: controlling entrances and exits, verifying identity of guests with names on the guest list, informing UAPD of individuals with alcohol in public areas, informing UAPD of other persons displaying inappropriate behavior, assuring that no alcohol enters the social function, and making decisions regarding the continuation of an event, if necessary.

A training program is conducted for marshals at the beginning of each academic year by the Office of Greek Life, and all potential marshals for a student organization's social events are required to attend. In addition, it is required that the organization's four major officers and activities chair-person attend these training programs.

f. University of Arkansas Police Officers

The registering office of the sponsoring group(s) will determine whether the organization will need University of Arkansas Police Department (UAPD) designated officers present at the event. The registering office representative will make the request to UAPD for officers. The sponsoring organization will be responsible for employing the officers at a time and one-half rate. The number of officers employed will be determined by the registering office and the Director of the UAPD.

g. Structures

Due the potential liability, the only structures that the University will permit to be constructed are fences built to insure that only invited individuals enter the event. Materials must be evaluated by the Office of Greek Life for safety. Any structure must be approved two (2) weeks before building is to start by the Office of Greek Life. The building of structures may begin one (1) week prior to the social event.

h. Clean-up

A clean-up committee must be identified prior to the activity. Clean up of the outside property, fences, and neighborhood must be completed immediately following the event. All materials

must be removed within three (3) days of the function.

### **3. Off-Campus Social Events**

Any registered student organization that sponsors a social event away from campus is obligated to adhere to all local and state laws. It is the responsibility of the sponsoring group(s) to institute measures to assure that minors do not consume alcoholic beverages at off-campus social events. All off campus events sponsored by Greek organizations must be registered in the Office of Greek Life.

### **4. Violations**

If University policies, state, and/or local laws are violated during or as a result of a social event, the sponsoring group(s) will be considered responsible and held accountable for the violation(s). The group must understand that other potential legal liabilities may also occur for the organization, individual students, officers, guests, and advisers. Littering, infringing upon the rights of others, and abuse of public or private property are examples of violations of this policy. Other possible violations of University policy will include, but are not limited to the following:

- a. Failure to register functions in accordance with the above stated policies
- b. Construction of unauthorized structures
- c. The failure to use required entrances and exits properly
- d. The consumption of alcohol by individuals who are under the legal age
- e. The providing of alcohol to any person under 21 years of age
- f. The consumption of alcohol outside the privacy of assigned student rooms
- g. Failure to provide adequately trained and identified marshals to supervise the event
- h. Conducting "spontaneous" social functions, activities or events at organized student housing
  - i. Exceeding the maximum number of guests at any given time
  - j. Failure to comply with the policies regarding sound system and sound ordinances
- k. Failure to adhere to clean-up plans
- l. Failure of responsible members to attend all training sessions

### **5. Sanctions**

Possible penalties for violations of these regulations include:

- a. Legal action, including citation or arrest
- b. University disciplinary action that will include educational sanctions and/or loss, curtailment, or elimination of student social functions and notification of national organization, where applicable
- c. Student organizations may also lose their recognition as a campus organization

### **6. Certification of Agreement to Comply**

These policies must be posted in a conspicuous spot for all members of the group to read. Verifying signatures of executive officers and advisers of these policies will be required as part of the registration form.

NOTE: All groups should remember that these are minimum standards of care that should be exercised in all social events. Depending on the scope of activities, additional measures may be

deemed necessary by the group/university to insure a safe and enjoyable activity.

#### 2. Second Infraction

- a. The membership of the student group will be issued a University Censure and the hearing officer or judicial board will institute a cancellation and non-approval of all social functions for six (6) academic weeks. This restriction will be counted during the fall and spring semesters. (Generally, the summer months will not count toward this restriction period).
- b. The membership of the student group/organization will be referred to the Student Assistance Program (SAP) and required to participate in and/or develop an alcohol and/or other drug education series.
- c. Appropriate documentation will be filed in the Office of the Dean of Students, presented to the chapter president, and presented to the national organization. Consequences for further violations will be outlined.

- e. Depending upon the surrounding circumstances and the severity of the infraction, these sanctions may be modified by the hearing officer or judicial board, and additional sanctions and/or more or less severe sanctions may be levied.

#### **4. Fourth Infraction**

- a. The student group/organization will be suspended as a registered student organization of the University. Accordingly, the organization will lose all privileges associated with that official status.
- b. Appropriate documentation will be filed in the Office of the Dean of Students, presented to the chapter president, and presented to the national organization. Consequences for further violations will be outlined. In all infractions, whether student or organizational in nature and depending upon the surrounding circumstances, additional sanctions may be levied. It is the University's expectation that students who belong to organizations that have stricter policies than those of the University will adhere to those stricter policies.

### **K. Solicitation and Fundraising**

For updated information access the university website at <http://vcfa.uark.edu/Documents/7080.pdf> (U of A Policies and Procedures for Facilities use)

#### **1. University Buildings and Grounds**

The buildings and grounds owned by the Board of Trustees of the University of Arkansas exist for, and are exclusively devoted to, the organized and approved University program of higher education. As such, they are committed to being used for the non-profit, tax-exempt use of the official program of the University. Therefore, private unsolicited business activities are not permitted on University premises. However, in certain limited areas, the University contracts with private firms to provide needed on-campus services for students, faculty, and staff that contribute to the accomplishment of the University's educational purposes.

#### **2. Solicitation on University Buildings and Grounds**

Apart from prohibiting profit-making commercial business activities, the University also regulates, within limits, under separate policies, and consistent with the above policy, any use of its buildings and grounds for solicitation, including fund raising activities. Fund raising activities must not violate state law by including a drawing, raffle, lottery, game of chance, or any scheme for distribution of prizes among persons who are paying for a chance to obtain a prize. The Arkansas Constitution, Article 19, Section 14, states: Lotteries Prohibited-No lottery shall be authorized by this State, nor shall the sale of lottery tickets be allowed. Arkansas Statute 41-2025 specifically supports this Article. Inquiries relating to any of these policies should be directed to the Office of Student Activities, ARKU A665.

#### **3. Policy on Canvassing and Solicitation**

Merchants or students may sell goods and/or services to residence halls, sororities, and fraternities on specific occasions when the organization in question has requested a particular service or when such service is directly relevant to the purpose of that organization. Under no circumstances is door-to-door selling, soliciting, or canvassing permissible. Upon such request, the Office of the Dean of Students or, in the case of residence halls, the University Housing Office, will issue the merchant an official pass identifying him or her as a legitimate campus solicitor in keeping with the above policy. (Failure of a solicitor to receive appropriate identification to sell on University premises may lead to requested action by civil authorities). Specific procedural guidelines should be sought from the Dean of Students.

#### **4. Insurance**

The suitability of life insurance programs for college students is regulated by law in cases of premium deferment by a premium financing arrangement. Insurance agents and companies offering this type of insurance need to receive approval of the suitability of their programs under Regulation 14 of the State of Arkansas Insurance Department prior to solicitation of students. Any agent or company wishing to sell premium financed life insurance to college students must register with the Office of the Dean of Students, ADMN 325.

## 5. Raising Funds for Student Organizations

- a. All fund raising activities by registered student organizations (including occasions when admission is charged or donations are requested), whether on or off campus, must be registered in advance with the Office for Student Activities. Fundraisers must be registered at least two weeks in advance of the planned fund raising event. Such projects must be handled through the organization's University bank account and will require a detailed operating statement (stating expenditure and income). This operating statement must be presented to the Office of the Associate Vice Chancellor for Financial Affairs no later than two weeks after the project is concluded.
- b. Registered student organizations may charge membership dues at meetings and conduct fund raising projects on the campus. These activities must support the program of the organization as stated in that organization's registration material, the educational purposes of the University community, and/or a philanthropic purpose.
- c. Fund raising projects for philanthropic purposes must be directed to nonprofit, tax-exempt organizations and not made directly available to an individual or individuals.
- d. Speakers may be invited to the campus to discuss political issues. However, political party membership may not be solicited, nor political candidates financially supported or opposed. Moreover, money may be raised only for projects or activities that directly support the program of the local organization.
- e. Use of University facilities and premises for fund raising activities is permitted only at the designated locations under the following specified conditions:
  1. **Arkansas Union** - Use is in the building and on the Union Mall only. Use is subject to scheduling arrangements, and fund raising may be conducted only if the project does not duplicate the services already provided within the Arkansas Union. Decisions relating to such projects should be referred to the Director of the Arkansas Union.
  2. **Science-Engineering Auditorium** - Use of the facility is scheduled through the Dean of Fulbright College of Arts and Sciences.
  3. **Barnhill Arena** - Use is limited to times when there is no athletic event; use of facility is scheduled through the Associate Director of Women's Athletics.
  4. **East side of Vol Walker Hall** - Use is limited to such activities that do not involve hawking of wares.
  5. **Within the common use areas of living units** - Use is limited to: (1) such activity that is initiated, planned, and executed by that living unit and adheres to established approval procedures, and (2) such activity or service that is specifically requested by that living unit. Under no circumstances is door-to-door selling, soliciting, or canvassing permissible.
- f. Requests for fund raising activities at locations other than those specifically named above must receive:
  1. approval for fund raising from the Office of Student Activities, and
  2. approval of the site by the Director of Facilities Management and the person responsible for the facility requested.
- g. The Committee on Student Relations shall rule on cases brought to their attention where

there is some question as to whether the above conditions have been met.

### L. Use of University Facilities

For updated information, access the university website at <http://vcfa.uark.edu/Documents/7080.pdf>

#### 1. General Policies

- a. University facilities and outdoor space are governed by the policies of the Board of Trustees of the University of Arkansas and exist for the primary purpose of serving a planned and scheduled program of educational activity. Consistent with Board of Trustees Policy 705.1 and University of Arkansas at Fayetteville Policy 708.0, when not required for regularly planned educational or research programs, and subject to other University policies, University facilities or outdoor space may be made available for use by University entities and Non-University entities. University entities shall only include colleges, departments, and other university organizational units; faculty; staff; students; University-related foundations and University alumni association; and registered student organizations. Non-University entities shall only include individuals and organizations that are not acting as University entities and are not sponsored by a University entity. Use of University facilities or space must not interfere with educational activities of the University. Moreover, such use is conditioned on receiving prior approval consistent with the procedures described below. Notwithstanding anything to the contrary, all uses of University facilities and outdoor space by University entities or non-University entities shall remain subordinate to the University's right to use the facilities at any time to advance the educational mission of the institution.
- b. Subject to all other University policies, the University prohibits the use of facilities and outdoor space for private, for-profit business activities. The University regulates any use of its buildings and grounds for solicitation, including fund-raising activities. Non-University groups or organizations shall not use university facilities for private purposes, for the conduct of private business and/or to raise money for projects not connected with a University activity except as otherwise permitted by University policy.
- c. Consistent with the University's educational mission, first priority for use of facilities or outdoor space shall go to University entities, and the University reserves the right to modify or cancel reservations accordingly. Moreover, to help ensure a diverse array of activities and uses, non-University entities are limited to an initial total of five (5) reservations each Fall semester, Spring semester, and summer with any portion of a calendar day considered one reservation. After the initial total of five reservations per semester has been obtained by a non-University entity, other non-University entities that wish to reserve space shall take priority; provided, however, if other non-University entities have not submitted a reservation request, then a request submitted by a non-University entity which has utilized its initial total of five reservations shall be considered and processed consistent with this policy. Furthermore, after the initial total of five reservations per semester, non-University entities may receive no more than three reservations at a time. Subject to Policy 2d, below, non-University entity reservations must be requested no later than three-business days prior to the day of the event. Student reservations must be made through a registered student organization with the

prior approval of the faculty or staff advisor. These provisions are not intended to limit informal student use of small group study or meeting space reserved according to facility-specific policies.

- d. Those requesting reservations must agree to be financially responsible for all costs associated with the reservation, including but not limited to security costs, cleanup, or damage to University property. Moreover, if warranted by the nature of the event, the University may require a requestor to obtain appropriate insurance coverage and/or to indemnify the University, its officials and employees for any claims pertaining to the use of the University's facilities.
- e. Non-University entities will not be allowed to reserve spaces and/or facilities during "Dead Days", any official examination periods, and all dates of any Official University Commencement activities.

## **2. Reservation Procedures**

The following procedures apply to reservations requested by or for individual faculty, staff, or students; registered student organizations; or non-University entities:

- a. Indoor Space: Those requesting a reservation of an indoor University facility/space should contact the building executive responsible for that location and follow any policies and procedures established for that sit
- b. Outdoor Space: Those requesting a reservation of an outdoor University facility/space must complete a reservation form and submit the form to Facilities Management or the office responsible for the location to be used. If approved by that office, then that office shall provide a copy of the approved request to the organizer, and shall forward other copies of the reservation to the University calendar in the ID and Information Office, University Relations, The Office of Student Activities, and the University of Arkansas Police Department (UAPD).
  - 1. Outdoor Reservation Forms: Copies of the Outdoor Facility/Space Reservation Form may be obtained from the Office of Student Activities (A665 Arkansas Union), the Office of the Director of Facilities Management, the University web site at <http://vcfa.uark.edu/Documents/7080Form.pdf> , and the office of University officials having authority to approve requests.
- c. Security Assessment:
  - 1. If an event is expected to have 500 or more people in attendance; or
  - 2. if a security assessment is requested by a university official; or
  - 3. if, in the opinion of the organizer, the event might require security, then, in all such instances, the organizer must contact the Director of UAPD or the Director's designee at least three (3) business days prior to the event to enable an assessment of potential security needs, including estimated costs to the organizer. UAPD must certify that this review has been completed prior to University approval of the space reservation. If the Director or his designee recommends that security be provided for the event, UAPD will provide a brief description of the expected arrangements and estimated costs; such costs shall be the responsibility of the event organizer as a condition of approval of the reservation, along with any other required costs.
- d. Approval Subject to Review: At all times, any reservation approval is conditioned upon full compliance with all University policies and all reservation requirements. The University reserves the right to disapprove the request (or terminate the reservation) of any entity that fails to comply with University policies, or state or federal law, or which has damaged University facilities at any time.
- e. Available Facilities: A list of reservable facilities/outdoor spaces and the approving official/department is available in the Student Handbook Section III.L.7

- f. Fundraisers: Fundraisers sponsored by Registered Student Organizations must be approved by the Office of Student Activities (A665 Arkansas Union) no later than two weeks before the event is to take place. The fundraising form is available in the Office of Student Activities. The Office of Student Organization Accounts (Hunt Hall 101) keeps records of income generated by the activity. All funds must be deposited with the Office of Student Organization Accounts.

### **3. Additional Facility Use Policies**

- a. Organizer Presence Required: The organizer must be present throughout the event with a copy of the approved reservation form for the duration of the function and present the form to UAPD if requested. The event may be terminated by UAPD for failure to have a copy of the approved reservation form on the premises.
- b. Alteration of University Property: Alteration or physical modification of property owned or leased by the University is not permitted. To prevent damage to University infrastructure, Facilities Management must approve the erection of tents or any temporary structures.
- c. Decorations: The organizer must have decorations approved and/or facilities inspected for safety in advance by Facilities Management or the facility official.
- d. Property Damage: Any group or individual that causes damage to University property must pay any charges necessary to return the property to its original state; University employees, students or organizations may also be subject to disciplinary action.
- e. Organizer Arrangements: The organizer shall be responsible for addressing issues such as special power requirements, access to restrooms, adequate waste receptacles, and inclement weather sites. Many campus buildings are closed after hours and on weekend/holidays; therefore, power and restrooms are not readily available. If waste receptacles are overflowing after an event, then the requestor/sponsoring group will be charged the additional cleanup costs incurred by the department that operates the facility/outdoor space. The organizer shall be solely responsible for any and all costs arising from or relating to any event and by requesting to use University facilities agrees to pay all such charges.
- f. Publicity, handouts, etc.: All publicity, handouts, printed materials, etc., are governed by University policies and procedures. These procedures are outlined in this handbook in sections entitled "Publicity and Literature" and "Printed Materials".

### **4. Sound Regulations on Campus and Respect for Others**

- a. Noise Disturbance: University entities and non-University entities must respect others' rights by not creating noise disturbances on the campus or around residences. The sound regulations apply to outdoor campus events that may potentially cause noise disturbances regardless of whether or not amplified sound is used (e.g., outdoor music performances).
- b. Maximum Decibel Levels: Absent a written waiver from the University, outdoor events held on campus must abide by the following sound regulations, which prohibit unreasonable sound disturbance.
  - 1. A level of 70 decibels will be permitted in approved locations from 6:00 PM Sunday through 6:00 PM Friday.
  - 2. A level of 80 decibels will be permitted in approved locations from 6:00 PM Friday through 6:00 PM Sunday.
- c. Noise Complaint Procedures: If a complaint is registered with UAPD, then decibel levels will be measured by UAPD from the location of the activity as well as at the source of the complaint to assure compliance with approved levels. An attempt will be made to work cooperatively with the event sponsor in assuring approved sound levels. If cooperation does

not occur, and if deemed appropriate by UAPD, the event may be terminated.

- d. Additional Sound Restrictions: During the week (Sunday evening through Friday afternoon), sound systems may be used on campus and around University residences only between the hours of 10:00 AM and 11:00 PM. The use of sound systems during the weekend must be terminated by 1:00 AM on Saturday and Sunday mornings.
- e. End of Semester Policy: Outdoor events which could create noise disturbances on campus will not be approved after the last day of classes through the end of finals each fall and spring semester.
- f. Notification to Others: Event organizers are responsible for notifying parties potentially affected by their event sound levels or activities. The University may approve lower sound levels in locations surrounding Fayetteville residential areas.
- g. Athletics: Any official athletic contest or spirit event sponsored or hosted by Men's or Women's Athletics or any Razorback Band practice or performance shall be exempt from the sound restrictions contained in this policy.

## **5. Procedures for Use of Facilities By Student Organizations**

- a. Any registered student organization may use University facilities for open or closed meetings or performances subject to University policies regarding use of University facilities and outdoor space.
- b. If an off-campus speaker or performer is to be invited to address an open meeting of a registered student organization, the faculty/staff adviser, or in the absence of an adviser, a tenured faculty member, must give his or her approval prior to the time that an invitation is extended and publicity is released. The University administration may properly inform an organization concerning its views on any proposed meeting to which an off-campus speaker or performer has been invited but will leave the final decision concerning the meeting to the organization and its adviser.
- c. Publicity and communications concerning any meeting shall clearly identify the sponsoring organization and shall carefully avoid any stated or implied University sponsorship.
- d. An invitation to a speaker does not necessarily imply approval or disapproval of the speaker or his/her views by either the University or the student organization. In the event that a request for the use of a University facility by a registered student organization cannot be granted, it is the responsibility of the University officer to whom the request was made to notify promptly in writing the organization making the request stating the reasons for the denial.
- e. Speakers may be invited to the campus to discuss political issues. However, political party membership may not be supported or opposed at the event. Registered student organizations may solicit memberships and dues at meetings, however, money may not be raised for projects not directly connected with a University activity, and private business may not be conducted in University facilities.

## **6. Scheduling Events**

- a. A registered student organization may use University facilities for meetings. All University policy regarding the use of University facilities and outdoor space as well fund raising, legal, reservation, and scheduling considerations also apply to registered student organizations. In the interest of minimizing conflicts, all co-curricular events (i.e., dances, concerts, speakers, workshops, etc.) sponsored by student organizations and held outside of a campus living unit are encouraged to advertise on the University calendar in the I.D. and Information Office after the facility has been reserved with the person or office responsible for the facility.

## **A. The Meaning of a University**

No great university is merely a reflection of the society in which it exists. It is a place where truth is freely sought, where inquiry is encouraged, where new ideas and new ways may develop and flourish at the expense of the old. It is a seedbed of change in an ever-changing society. An academic community grows only when its members may act and express themselves freely and without fear. To preserve these basic concepts, certain rights and responsibilities must be established. These rights and responsibilities in no way limit the broader freedoms that are guaranteed to citizens in a free society.

### **D. The Learning Process**

A free, effective educational process depends upon the available opportunities. It is the role of the instructor to encourage free discussion, inquiry, and expression in the classroom. It is the role of the students to be intellectually alert to information presented and to accept or reject that information, based on informed opinion, without fear of penalty. Students must be evaluated solely on the basis of academic performance and must be graded in a manner that reflects a good faith judgment of their work. To secure a fair evaluation, it is the responsibility of every student to develop intellectually within the legitimate confines of each course.

1. Seriously injured or ill. In some cases, in accord with the wishes of the student and upon the advice of a University physician or psychiatrist, notification may be delayed or omitted. This decision will be made in consultation with the Associate Vice Chancellor for Student Affairs/Dean of Students.
2. Abnormally absent from his or her housing unit and from class attendance for a sufficient period of time to cause concern for personal welfare.

### **K. Campus Governance**

The Articles of Local Campus Government for the University of Arkansas, Fayetteville, were adopted by the Board of Trustees as Board Policy 810.1, and appear in the Faculty Handbook. All campus faculty committees except the tenure committee have student representatives, whose nominations are made through the Associated Student Government. The Associated Student Government (ASG) provides important services to the University community and is an integral part of governance on the campus. ASG has four executive officers selected in campus-wide elections and 51 senators elected on a college model basis. Operation of the Associated Student Government is guided by the ASG Constitution and the ASG Code, all of which are published in the Code Book. Reference copies of the Code Book are available for examination by students or other interested parties on the ASG website. ASG addresses student concerns and involvement in the University community through responsible activism and specific initiatives. ASG Senate has responsibility for various legislative functions including funding recommendations, and initiates campus-wide legislation based on student concerns. Students who want to be involved in ASG activities may apply at the ASG office in ARKU A669 or call 575-5205. Other student organizations that represent living groups and are an integral part of student government are the Residents Interhall Congress (RIC), the Interfraternity Council (IFC), the Pan-Hellenic Council, and the National Pan-Hellenic Council (NPHC). ## **APPENDIX A - Campus Council Statement on Discrimination**

### Campus Council Statement on Discrimination

In spring 1983 the Campus Council adopted a statement regarding discrimination, which was amended in fall 1991: The Campus Council of the University of Arkansas, Fayetteville, does not condone discriminatory treatment of students, faculty, or staff on the basis of age, disability, ethnic origin, marital status, race, religious commitment, sex, or sexual orientation in any of the activities conducted upon this campus. Members of the faculty are requested to be sensitive to this issue when, for example, presenting lecture material, assigning seating within the classroom, selecting groups for laboratory experiments, and assigning student work. The University faculty, administration, and staff are committed to providing an equal educational opportunity to all students.

### **APPENDIX B - Sexual Harassment Policy**

#### Sexual Harassment Policy

[http://ofaa.uark.edu/SEXUAL\\_HARASSMENT\\_POLICY.pdf](http://ofaa.uark.edu/SEXUAL_HARASSMENT_POLICY.pdf) It is the policy of the University of Arkansas to provide an educational and work environment in which thought, creativity, and growth are stimulated, and in which individuals are free to realize their full potential. The University should be a place of work and study for students, faculty, and staff, which is free of all forms of sexual intimidation and exploitation. Therefore, it is the policy of the University of Arkansas to prohibit sexual harassment of its students, faculty, and staff and to make every effort to eliminate sexual harassment in the University. For more information and to view the policy, please visit the above site.

#### Appendix B to the Sexual Harassment Policy

Recommendations for Education and Publicity Concerning the Policy Because new students and employees continually join the University community, it is important that education about sexual harassment and publicity about the University's policy be presented frequently and that attempts are made to reach all members of the community. Information should be presented at new student and new employee orientation sessions, and new administrators, supervisors, and managers should be reminded about their additional obligation to help keep the University free of sexual harassment. In addition, programs about sexual harassment, campus awareness events and activities, training sessions, and other educational activities should be provided regularly. Student, faculty, and staff handbooks, catalogs, and other publications that include University policies and procedures should contain the sexual harassment policy. Brochures, flyers, newspaper articles, posters, and other methods of publicizing the policy should be used as well.

### **APPENDIX C - Sexual Assault Policy**

#### Disciplinary Action

Students and employees who are convicted of sexual assault may also be subject to University disciplinary action. According to the circumstances of the case, possible sanctions may range from a formal reprimand to dismissal from the University. Victims of sexual assault may receive assistance in making reasonable changes in their work, academic, or living situations. Students may request assistance in changing their living situations from University Housing. Requests for academic changes should be directed to the dean of the appropriate college. Staff may request assistance in changing their work situations from their supervisors or from the Department of Human Resources. Requests for such changes will be considered on the basis of their appropriateness and whether the requested change is reasonably available.

Adopted by the Campus Council, September 23, 1993

#### Sexual Assault Policy

The University of Arkansas has zero-tolerance for sexual assault and sex offenses committed against students, employees, visitors to the campus, and other persons who use University facilities. The University of Arkansas is committed to the prevention of sexual assault.

#### Sexual assault

Sexual assault is an extreme form of sexual harassment. Sexual harassment is prohibited by University policy and is a form of sex discrimination prohibited by Title VII of the Civil Rights Act of 1964 and by Title IX of the Education Amendments of 1972. Sexual assault is a crime, defined by the Arkansas criminal code. The University of Arkansas publishes an annual report of campus crimes, including sexual assault, as is required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This landmark federal law, originally known as the Campus Security Act, requires colleges and universities across the United States to disclose information about crime on and around their campuses.

#### Definitions

Sexual assault may include any involuntary sexual act with which a person is threatened, coerced, or forced to engage in against her or his will or while temporarily or permanently incapacitated. Sexual assault may be committed by a stranger or by a person known by the victim. Acts defined as sexual assault include rape, date rape, acquaintance rape, and gang rape, but may also include sexual touching of another person against his or her will, and forcing an unwilling person to touch another person sexually. Sexual assault occurs when such acts are committed either by force, threat, or intimidation, or through the use of the victim's mental or physical helplessness, of which the assailant was aware or should have been aware.

#### Responsibility to Report

Any student, faculty member, staff member, administrator, or visitor to the campus who has

experienced or witnessed sexual assault should report the assault immediately to the University of Arkansas Police Department. If the assault occurred outside the jurisdiction of the University Police, they will assist in reporting it to the proper authorities. Sexual assault may also be reported to the Fayetteville Police Department, if it occurred within the city limits, or to the police of another municipality if the assault occurred within another township or city that has a police force. It may be reported to the Washington County Sheriff's Department if it occurred outside city limits but within the county. Sexual assault may also be reported to the University Health Center's STAR Central Office (Office for Support, Training, Advocacy, and Resources on Sexual Assault and Relationship Violence) or to NWA Rape Crisis.

### Preserving Evidence

It is important that evidence of sexual assault be preserved, because it may be needed for prosecuting the criminal case. Victims and others should not alter the scene of the attack. The victim should not change clothes, bathe or shower, douche, drink or eat anything, or brush her/his teeth before reporting the assault. Any items worn by the victim during the assault, but are not currently being worn, and any materials encountered during the assault (i.e., bed sheets, blankets, etc.) should be placed in a brown paper bag and brought along with the victim to a local hospital emergency department that has kits to collect and preserve evidence of rape and sexual assault.

### Availability of Counseling and Advocacy

Counseling and other mental health services for victims of sexual assault are available on campus and in the community. Students and employees may use the Counseling and Psychological Services (CAPS) department of the University Health Center. The Psychological Clinic of the Department of Psychology may be able to provide assistance in some cases. Employees of the University may be able to seek help through the Employee Assistance Program. Community mental health agencies, such as the Ozark Guidance Center, and counselors and psychotherapists in private practice in the area can provide individual and group therapy.

STAR Central of the University Health Center and NWA Rape Crisis may assist with making referrals for individual counseling and support groups. STAR Central will assist victims with identifying non-counseling campus and community resources that may be of additional help and serve as a victim advocate upon request.

### Education and Awareness Programs

The STAR Central Coordinator in the Department of Health Promotion and Education of the University Health Center is responsible for planning and coordinating campus education and awareness programs about all forms of sexual assault, including rape, acquaintance rape, and other sex offenses. Programs are presented regularly throughout the academic year in residence halls, fraternities, sororities, and for other student organizations, academic classes, and in other settings that are likely to reach people throughout the campus community. Campus-wide education and awareness activities are also conducted during Sexual Assault Prevention and Awareness Week.

A peer education group, Rape Education Services by Peers Encouraging Conscious Thought (RESPECT), of the University Health Center provides sexual assault awareness, education, and prevention programs for the campus community. The STAR Central Coordinator supervises and advises the peer educators of RESPECT.

### University Judicial System

When appropriate, the University of Arkansas Police Department or any member of the University community may refer allegations of sexual assault to the University judicial system. The judicial system provides a just and equitable process for dealing with alleged infractions by students of University rules, regulations, or laws. The system is informal and non-adversarial, and is intended to educate students, to help them make responsible decisions, and to be accountable for their

actions. Both the accuser and the person accused shall be informed in writing of the outcome of any campus judicial proceeding or grievance procedure in which sexual assault is alleged. In some instances, it may be appropriate for faculty and staff members to use the University's formal grievance procedures to address grievances related to allegations of sexual assault. The faculty grievance procedure is described in the University of Arkansas Faculty Handbook. The staff grievance procedure is described in the Staff Handbook.

### **Coordination of Responses to Alleged Sexual Assault**

The University has designated the University Compliance Officer, Ms. Jenifer Tucker, as its Title IX Coordinator, with overall responsibility for oversight of the University's compliance with its obligations under Title IX, including, but not limited to, its obligations to investigate and respond to allegations of sexual assault.

Ms. Jenifer Tucker  
University Compliance Officer  
346 N. West Avenue (West Avenue Annex)  
479-575-6208

For allegations of sexual assault by faculty, staff or other persons (other than students), the Title IX Coordinator coordinates with UAPD and the University Health Center to ensure that allegations of sexual assault reported to University officials are investigated and that confirmed allegations are addressed through University personnel processes, as appropriate.

For allegations of sexual assault by students, the Director of the University's Office of Academic Integrity & Student Conduct, Dr. Monica Holland, coordinates with UAPD and the University Health Center to ensure that allegations of sexual assault reported to University officials are investigated and that allegations are processed through the University student judicial process, as appropriate. The Director of the Office of Academic Integrity & Student Conduct reports to the Associate Dean of Students, and provides information reports to the University Title IX Coordinator on all allegations of sexual assault processed through the judicial process.

### **APPENDIX I - Inclement Weather Policy**

#### Inclement Weather Policy

<http://vcfa.uark.edu/Documents/2100.pdf>

The general policy regarding inclement weather is that the University does not close its offices because of bad weather. However, the obligation to provide services to our students must be balanced with the risk of danger to our employees. It is, therefore, appropriate that guidelines which reflect the needs of our students and the safety of our employees be established and made known. The following is the University's weather policy:

It is the policy of the University to remain open regardless of weather conditions. Each person is expected to make his or her own determination to work. Those personnel who do not report to work because of weather conditions will be charged "annual leave". With the approval of the supervisor, an employee may elect to use "leave without pay" in lieu of "annual leave". This will be considered and excused absence. However, individual departments may develop and implement additional policies concerning requirements for essential personal leave during periods of inclement weather.

Employees should make every attempt to get to work within the bounds of their personal safety. In the event of early morning inclement weather conditions, the University recognizes that normal routines may be disrupted. If the University remains open but an inclement weather day is officially declared, employees arriving within two (2) hours of their normal starting time will be given credit for a full day's attendance. Employees arriving later will be charged the full amount of time involved in their tardiness, and employees not coming to work will be charged a full day's absence.

In cases where the weather has caused hazardous driving conditions, the University may be closed and if such conditions prevail at 5:00 A.M., the closure will be for the day. Announcements of the University's closing are given to the University's radio station (KUAF, 91.3) and other local radio and TV stations for broadcast. Closing information is also available through the University's website, voicemail, or by dialing 479-575-7000. Because our closing is so rare, we must sometimes ask your help in notifying people that we are returning to our normal operations after a closing. The only people authorized to report the University's closing because of weather conditions are the Manager of Media Relations and the Associate Vice Chancellor for University Relations. Please refer to Academic Policy 1858.10 regarding the class cancellation policy due to inclement weather.
